

# Boardroom Excellence Fellowship

## Create boardroom opportunities for historically underrepresented board-qualified leaders

### Our Focus: Board Visibility and Access

Our comprehensive fellowship program offers visibility, access, support, and guidance from pre-board search to post-board service.

“I really can’t thank you enough for introducing me to Board opportunities and enabling me to take this next step in my career. I am truly grateful.” — Pam Webber, newly appointed board member, Drip

### Program At-A-Glance

**8-12 fellows per group**

**One-on-one onboarding** to align experience with in-demand boardroom skills

**Curated referrals** for open board seats

**Exclusive invitations** to events and dinners with CEOs, Investors, Private Equity leaders

Opportunities to **collaborate and network** with other Boardroom Excellence fellows

**Interactive workshops** to promote and accelerate boardroom impact

**Seat in Boardroom Brilliance**, the 3-month peer-to-peer cohort for seated directors

*The boardroom journey can be challenging for those who lack the traditional networks needed to secure a board seat. We are changing that.*

## What Makes illumyn Unique?

A one-of-a-kind opportunity to support board-qualified executives to excel in the boardroom

- 50+ board opportunities each month via our network of 100+ PE and VC Partners
- Hand-curated board referrals
- Events hosted by renowned business leaders
- Expert moderators skilled in boardroom effectiveness and best practices
- Tracking and reporting quarterly on activity, outcomes, referrals, and placement

## Break Down Barriers and Increase Boardroom Diversity

Companies that sponsor board-qualified executives to participate in the program will see these benefits:

- Differentiated retention tool for top executive talent
- Elevated leadership capacity and fresh perspectives of participants
- A powerful and visible commitment to DEI
- Quarterly reporting and tracking of referrals and placements

“Thank you for hosting a smooth kickoff for our women VPs last week...loved seeing the energy and engagement from the group.” — Reese Haydon, SVP, Dropbox

## Program Highlights

Visibility, access, and real-world experience to help secure a board seat and excel in the boardroom.

**Demystify the Boardroom:** A custom session that introduces corporate board service, from board-ready to how to become a boardroom MVP.

**Individual onboarding:** Each attendee will be invited to a 30-minute individual onboarding call to identify key competencies and board interests.

**Board introductions:** As members of our talent network, participants will be matched with relevant board opportunities, with introductions made upon mutual request.

**Learning & Events:** Participants will have access to workshops, networking events, and priority invitations to our exclusive roundtable events with notable hosts.

**Reserved Seats in Boardroom Brilliance:** Fellows already sitting on a board or who attain a board role will be eligible to join the Boardroom Brilliance cohort. This 3-month curriculum is focused on the qualities of MVP board members and aims to accelerate the impact of board directors.
